## Kiss & Ride Renewal

Rose Hill Elementary has implemented a Kiss & Ride system to dismiss students in the afternoon. Registered families receive a set of cards with an assigned number. This number is assigned by family; all students from the same family have the same number.

In preparation for next school year, we ask families to re-register if you would like to keep the number. You will receive a new set of cards during the Rocket Launch in August.

Please complete the form below to register or re-register your family and keep your assigned number. If your child will no longer use Kiss & Ride in the afternoon, please cancel your registration.

### New registration:

I want to register my family for school year, 2018-2019.
